

Prevent Employee Conflict & Increase Productive Teamwork

Kate Nasser
The People Skills Coach™

...is now delivering the **QUICK SPOT & ADAPT™** version of:
GPS Your Brain to Succeed w/ All Personality Types

Unlike other personality type workshops, **QUICK SPOT & ADAPT™** teaches everyone how to **quickly** spot someone's type and adapt to work better together.

Don't wait until corrective action is needed in the heat of workplace conflict. Develop employees' skills to get along using **QUICK SPOT & ADAPT™**. Set them up for success. Increase engagement and job satisfaction. Happier and well adjusted employees are more productive, feel more valued, and go beyond basic job requirements.

How this program is different:

Kate's **QUICK SPOT & ADAPT™** workshop moves past the personality type labels that people use to justify their own behavior. It enables everyone to quickly adapt and work together— especially people who don't know each other very well.

- Employees and your customers
- Internal service organizations (like I.T.) and other employees at every level
- Cross-functional project teams
- Virtual teams in video conference meetings
- New hires and existing employees
- Interns, contractors, and your full time staff

Organizational Benefits:

Reduce workplace frustrations.
Prevent need for interventions.
Reduce stress for HR and management.
Assist with employee development and training plans.
Increase collaboration and timeliness of results.

Ask your employees: Have you found working with someone to be a strain, a pain, or just a stretch for you? Managers tell me the answer is resounding yes! **Book the QUICK SPOT & ADAPT™** workshop to show them how to work together. Replace the plea of "just work together and get along" with the actual skills to do it.

In **QUICK SPOT & ADAPT™**, Kate Nasser, The People Skills Coach™ spotlights all the absurd personality mismatches and teaches exactly how to quickly adapt and work with each personality type.

Interactive & fun: This workshop is highly interactive. It is filled with loads of fun and information about personality types that awaken awareness, inspire change, and build people skills.

Payoff: Better sales interactions and results, the ultimate customer service, agile teamwork, more employee engagement, and increased productivity!

BONUS: **QUICK SPOT & ADAPT™** is customized with examples for each group: Sales, customer service, internal teamwork, cross-functional project teams etc... When you finish the workshop, you will know exactly how to **QUICK SPOT & ADAPT™** in your work and interactions.

Where: Private **QUICK SPOT & ADAPT™** workshop at your work site or chosen venue. You can even sponsor a semi-private event where you invite other companies to attend and share costs. Your choice!!

Book QUICK SPOT & ADAPT™ now to prevent workplace conflict and increase productive teamwork!
